Tamara Elyyan

Communication Engineer || Full stack developer || Frontend

About Me

As a Communication Engineer with specialized training in Quality Assurance (QA) and Development, I bring a unique blend of technical expertise and quality-focused approach to every project. With a solid foundation in communication technologies and protocols, coupled with hands-on experience in QA methodologies and software development, I am adept at ensuring seamless communication systems while maintaining high standards of quality and reliability.

Education Background

Bachelor of Communication Engineering
AL-QUDS University, 2016 - 2021
